My principal place of residence is not in the Waimairi Ward of the Fendalton-Waimairi-Harewood Community Board area.

I am currently 21 years old and in my fourth year of studying a Bachelor of Laws at the University of Canterbury.

I decided to stand for Community Board because I am concerned about the current direction of our city council.

I am standing to be a strong voice for Waimairi, to work with residents and community groups on local projects, ensure our parks are maintained and that our roads get fixed.

Waimairi is a place of potential and I want to work closely with the elected representatives to get good outcomes for Waimairi.

I am committed to representing you so please feel free contact me through email or phone.
