My principal place of residence is not in the Papanui Ward of the Papanui-Innes Community Board area. I am also standing for Papanui Ward Councillor.

Christchurch can have and do more - but to afford it, a major rethink of how our City Council operates is required to cut back the unsustainable rates increase and projected debt blowout being proposed.

As a management accountant and associate member of Governance NZ, I bring over 20 years' experience working in both local and central government. Living just outside the ward, Papanui is my family's local community and I have the local understanding and knowledge to represent Papanui on Council. Papanui is a great area to live and raise a family, but we need stronger voices on our community board to better manage traffic congestion, ensure services like the Graham Condon Centre are accessible, and to work on keeping our local parks and reserves open, tidy and usable.

We can have better services and infrastructure, but I need your vote to do it.
