Emma NORRISH

Independent

My principal place of residence is in the Papanui Ward of the Papanui-Innes Community Board area.

I am seeking a third term as a fully committed, knowledgeable and independent advocate for our community. I understand that the key to being a successful elected representative is communicating openly and honestly with you.

Growing up and now raising a family here gives me passion to see the best brought out in our community. I have worked hard over the past six years on improving council engagement with you throughout decision-making. I will continue to focus on this, while working to get the best out of council for our local community facilities, streets and parks.

My involvement with a wide range of local groups, and on the Redwood School board of trustees, gives me an insight into our community's potential. This reinforces my desire to continue putting my skills to work to ensure our Papanui ward is a safe and inspiring place to live, work and raise families.
