Fendalton Ward of the Fendalton-Waimairi-
Harewood Community Board
Electing 2 Members

David BENSON

Conservative Independent

My principal place of residence is in the Fendalton Ward of the Fendalton-Waimairi-Harewood Community Board area. I am also standing for Fendalton Ward Councillor.

12 years as an elected Councillor. Served on the Finance, District Plan and Engineering

Committees, Chaired the Hearings Committee for 9 years. Good understanding of accounting, practical and logical.

Will be pushing to have the water rates being on a usage basis, sewerage and land drainage on a UAC not on the capital value of your property.

Will be pushing for a full disclosure of what the annual costs to the ratepayers will be once the following are all completed, covered stadium, indoor events centre, convention centre, town hall.

Many of the streets and footpaths in the ward are in an appalling state. I will be pushing for a 10 year plan to get these essential amenities back to an acceptable state including underground utilities of sewer, water, storm water, possibly power and phone.

If you contact me, I will come back to you quickly, not 1 year later.
