Parminder KAUR

The People's Choice - Labour

My principal place of residence is in the Innes Ward of the Papanui-Innes Community Board area.

I was born in India but am a New Zealand citizen who is extremely proud to call this beautiful country home!

I have a Masters in Political Science, and currently serve as a Justice of the Peace, registered marriage celebrant and Chair for IndianNZ Association Inc.

As an active member of the local community, I understand the challenges we face, and the issues that are important to us. I know that a safe and reliable source of drinking water is vital, as is secure, warm and affordable housing. I know that we desperately need better infrastructure around transport and to create a network that improves accessibility for people of all ages.

I passionately believe that each and every one of us should have a voice, and I would love the opportunity to advocate on your behalf with my hard work and honesty.
