Bebe FRAYLE

The People's Choice - Labour

My principal place of residence is in the Burwood Ward of the Coastal-Burwood Community Board area.

As a long time resident of Dallington and the current chair of the Dallington Residents Association I work closely with community organisations in the Burwood Ward to advocate for the needs of residents. We've run several free events aimed at bringing people together to have fun, get to know each other, and strengthen community bonds. I've also organised workshops, information sessions and drop-in days to gather ideas about the future of our red zone.

The draft Regeneration Plan includes beautiful riverside landings - I want to ensure these become a reality. Right now I'm working with neighbouring RAs and Council to complete the groundwork to get a community centre in the Burwood Ward.

I'm seeking election because I want to take the ideas I've heard in my community and help turn these into reality. As a project manager with 15 years experience, I know I can get these things moving.
