My principal place of residence is not in the Burwood Ward of the Coastal-Burwood Community Board area.

Community dynamics changed drastically post-earthquakes. I am seeking a fifth term determined Burwood Ward's needs are

addressed.

New, vibrant communities in Mairehau-Prestons area will wait decades for council-initiated facilities. I'm seeing need for a community facility now to serve the Travis Country, Tumara Park, Waitikiri to Prestons communities. A Multi-Purpose Community Facility providing a place where community meet, enjoy activities and all ages.

Residential Red Zone suburbs forgotten eight years without any recovery investment - I am concerned about home ownership imbalance and well-being issues. My concept - an Area-Wide Community Facility became a Dallington-Avondale-Burwood community-led proposal successfully submitted by Community Board to council now waits for a future build date. My other initiatives enabled Outdoor Movies to support community wellbeing and Burwood Park's Outdoor Gym.

Other concerns: Tairoa-QE11 needs dedicated disability change facilities and an effective therapy spa. Land drainage/flood protection works. Community Safety.
