Soozie BRAGG

My principal place of residence is in the Coastal Ward of the Coastal-Burwood Community Board area.

The Brighton Beaches have been my home for 50 years. My place and your place deserves to be loved and I am determined to get a lot more love for it. Like all residents here, I have a vision, a vision for the future, and I want to ensure the momentum which has been started by the past Boards, continues without compromise. I bring a stable presence, a strong voice, I am socially active within our community, belonging to groups and volunteering to others. To repair what has been damaged, to ensure sustainability as Coastal suburbs, to future-proof our existence and our legacies, to see economic growth and success, to gain the wisdom for our needs in the future...all this can only be done with the support of the community - but I will be here to help us get there. Let me work for you.
