For Communities You'll Love To Live In

My principal place of residence is in the Coastal Ward of the Coastal-Burwood Community Board area.

I have raised my 3 sons and grandson in New Brighton and we all love the coastal lifestyle. I have worked as a Business Manager for four local organisations, as an Earthquake Support Co-ordinator in East Chch, and held various governance roles for over 30 years. I now run a Group Facilitation business. This background enables me to be a strong advocate for our Coastal Ward.

The standout feature of our Ward is our large recreation reserves and waterways. This feature can be the basis of health and recreation for our locals, and more customers for our businesses. I will promote improved public facilities, cleaner river water and excellent cycle/walk/wheelchair tracks. I also have the communication skills, networks and practical approach to take care of the daily issues that come before the Board.
