My principal place of residence is in the Coastal Ward of the Coastal-Burwood Community Board area.

I have lived and worked in the New Brighton area my entire life and being a daughter of an ex councillor, I have learnt a lot about how to do what's right for our community.

I currently work several part time jobs, own a business, am happily married and have 2 young adult sons. My hobbies all include water, Aquafit, Surf Life Saving and Wave skiing.

I was heavily involved with the Keep QEII in the East group and the petition regarding the state of Pages Road.

I cannot believe that 9 years after the quakes the east still has so many unresolved issues. The roading, paths, flooding, unkempt river banks and of course the Southshore estuary issue is a major. The future of the red zones concerns me.

I love the coast and our natural playgrounds, and as a board member would be there to help represent your views.
