Electing 2 Members

Jolene EAGAR

Independent

My principal place of residence is in the Hornby Ward of the Halswell-Hornby-Riccarton Community Board area.

Western Christchurch is an amazing place to live, but under investment in infrastructure, traffic congestion and poor planning around things like quarries are challenging our community.

This election, I am asking for your vote for community board.

With your support, I can make a difference as a local, committed, and active representative. Our community is growing fast and we need to take on these challenges.

Originally a qualified Primary School Teacher, I am currently working in Financial and Operations Management for two local medical supplies companies.

Living in Templeton, I have been heavily involved in the Templeton Residents Association, especially with the No Quarry campaign, and I am aware of the current issues affecting our ward.

I am passionate about making sure Western Christchurch continues to be an amazing place to live, that we are treated fairly, and that our community's voice is heard.
