Mark PETERS

Independent For Hornby

My principal place of residence is in the Hornby Ward of the Halswell-Hornby-Riccarton Community Board area. I am also standing for Hornby Ward Councillor.

I'm passionate about representing our wonderfully diverse communities to Council.

When Denton Park needed saving last year, I led the Save Denton Park Group to save our park. After Denton Park was saved, we formed the Greater Hornby Residents Association to continue representing Hornby to the Council.

My family live in South Hornby, we love our community, and are actively involved at Hope Presbyterian Church in Hornby.

I believe it is time for Party politics to cease on Council, and I will be a strong effective Independent voice listening to you and getting things done for the good of our communities.

With large population and traffic increases post the earthquakes our infrastructure and roads struggle to cope. Our communities need me to represent us strongly to Council to ensure we get all that we need.

For common sense on Council, give Mark Peters 2 ticks for Councillor and Community Board!
