**Bruce WARD**

Independent

My principal place of residence is not in the Hornby Ward of the Halswell-Hornby-Riccarton Community Board area.

I am a serving Police Officer with nineteen years' experience. Having policed the Hornby Area for nine years I have developed strong ties with local businesses, schools, and many community groups.

I am very passionate about the Hornby Community; it is my community and one of which I am proud to serve.

Beyond my role as a Police Youth Aid Officer, I actively volunteer and serve my community through refereeing rugby and as member of numerous community organisations including being an active member of my church. I am passionate about the needs of my community, with the ability to build strong partnerships.

The development of the new Library and Pool complex will be a fantastic community asset and I look forward to the completion of the project.

If elected my priority will be consultation between elected officials, staff and the residents of Hornby.
