**Ross MCFARLANE**

Our Community My Priority

My principal place of residence is in the Halswell Ward of the Halswell-Hornby-Riccarton Community Board area.

Growth across all areas of our ward has placed huge demands on amenities. As your proactive full time community board representative, in what is now the largest Community Board in New Zealand, I seek your ongoing support and vote. While representing you, I will ensure wise spending to protect and improve our neighbourhood facilities and resources. As an Independent candidate, without sponsorship or political obligations to cause conflict, I can freely vote with you on the issue at hand, allowing community concerns to be addressed. We deserve affordable and equitable rates across residential, rural and business sectors, and open, improved engagement in local body decision making. Utilising knowledge from years of sporting involvement and active participation in local residents' groups I have the skills to represent our changing community needs so our ward continues to prosper and grow together. Vote Ross McFarlane for Halswell Ward. Our Community My Priority. [facebook@rossmcfarlaneforhalswellward](https://www.facebook.com/rossmcfarlaneforhalswellward)
