

Christchurch City Council
Halswell Ward of the Halswell-Hornby-Riccarton
Community Board
Electing 2 Members

Andrei MOORE

The People's Choice

My principal place of residence is in the Halswell Ward of the Halswell-Hornby-Riccarton Community Board area.

At two weeks of age, I was lucky enough to be adopted from Romania by a Halswell family. I'm very proud to call Halswell my home, 28 years

later.

More importantly though, I'll tell you what I'll do if elected.

You will hear from me and I will listen. I will work hard to represent you - the ratepayer and resident. Many people don't know their local representatives or what they do. You deserve to know how your rates are spent and what is being delivered for Halswell, Westmorland and Wigram.

The issues I'm hearing the most concern about are water, crime, burglaries, better transport and infrastructure planning. I am committed to work on these issues and others to better support our growing population.

Ultimately I want to help deliver better outcomes for Halswell that I can be proud of because Halswell has absolutely helped deliver better outcomes for me.
