My principal place of residence is in the Riccarton Ward of the Halswell-Hornby-Riccarton Community Board area. I am also standing for Riccarton Ward Councillor and the Canterbury District Health Board.

I was born in Christchurch, raised in Riccarton and am an Authorised Financial Advisor. Being brought up in Riccarton and serving on our Community Board has allowed me to deepen my understanding of our community. Being fluent in Korean and English, and with a study background in Chinese, Japanese and Te Reo Māori, I have a broad understanding of our diverse community and believe I can unite our communities closer together in harmony.

I am an Executive Member of Keep Christchurch Beautiful and passionate about keeping our Garden City clean and green. I also volunteer at the Riccarton Sunday Market. My focus for Riccarton is to address concerns around traffic congestion, parking and cycleways. We need to take action on reviewing Council spending, we need to take action on ensuring rates are affordable and we need to take action on restoring basic infrastructure and services back into our city.
