Independent

My principal place of residence is in the Central Ward of the Linwood-Central-Heathcote Community Board area. I am also standing for the Canterbury District Health Board.

Getting things done and making sure you get personal attention; I work hard to resolve issues and am accountable only to you.

My voting record shows I stand up for local residents on many issues including: safety, heritage, saving libraries, improving roads and footpaths, protecting clean water, protecting and enhancing rivers and parks, waste reduction, cycleways, combating graffiti-vandalism and good transport systems.

I have worked hard to keep the Linwood pool on track and within budget and proposed two big projects for our area - Greening the East and a plan to enhance and clean up the lower Heathcote river.

I make decisions in the best interests of the community after examining the facts, listening to people and especially looking at the long-term impacts.

I'm active in the community and use a common-sense approach. Love hearing from you and always available to listen. Phone me 3792820 or 0210580392 Email: [bucksally1@gmail.com](mailto:bucksally1@gmail.com)
