My principal place of residence is not in the Central Ward of the Linwood-Central-Heathcote Community Board area.

My vision is to ensure Christchurch Central is a place where all the people of our community feel safe, valued, and have a sense of belonging.

My diverse experience being involved as a community worker, researcher, business lecturer/mentor, marriage celebrant, wife, and mother, gives me the ability to recognise and respond to the community's needs and wellbeing.

My primary focus is on the safety of people in and out of their homes in daily life. In addition, address the impacts of the city development plan on the people and local businesses.

I am committed to advocating for the interest of my community by promoting open communication between the council and the people.

I bring to this role, an open heart that listens to others, and an open mind that accepts the opinions of others, to find ways to get the job done.
