Irinka BRITNELL

My principal place of residence is in the Central Ward of the Linwood-Central-Heathcote Community Board area.

I am born in Christchurch, daughter of hardworking refugees from Macedonia. I work with my husband in our business for 30 plus years. I support various community groups advocating for Heritage; Peace City, Human Rights, Environment, Cultural Diversity. Better recycling/rubbish management. No chlorine in water. To reduce rates CCC should be in water export business, not giving it away. Keep strategic assets. Village concept important for all city to have walking access to shops. Ageing population needs more buses, closer vehicle parking to amenities. Re open access at Fitzgerald Ave/Worcester St for Linwood Village survival. Need re think on Accessible City - currently difficult to navigate, park and spend. Businesses are suffering. Stop building poky apartments deviating from rules, compromising future architecture/design/liveability of our city. Where is City In A Garden? Keep cash options for paying bills. Caution on 5G. Voting Yes in Cannabis Referendum - will help economic recovery.
