Electing 2 Members

Ian CUMMING

Independent

My principal place of residence is in the Cashmere Ward of the Spreydon-Cashmere Community Board area.

Cumming is coming, with your help, to the Community Board table.

As an independent candidate, I would take a collegial and common sense approach in the Board's deliberations and decisions.

After some 40 years as a TV producer, producing programmes for TVNZ and CTV, I have been active in retirement as a volunteer for our local Christchurch South Community Patrol, Central Police Station reception, and a Cancer Society driver. In addition for the last 3 years I have served as a Justice of the Peace This involves work at the Courthouse, Spreydon Library, the Police Station, and at home.

So with that experience, I would bring to the Board's meetings energy and commitment in representing you. It would be a privilege to do so.
