Thriving Communities

My principal place of residence is in the Linwood Ward of the Linwood-Central-Heathcote Community Board area.

I have lived in the Linwood area most of my life, attending local schools, as do my children. I am passionate about seeing our community advance and thrive. I have spent my last four years as the Community Development Worker and Manager of the Bromley Community Centre which has opened further opportunities for me to be Project Manager of LYFE (Linwood Youth Festival Experience) and a member of the Linwood College Community Partnership Group. I am also the President of the Linwood Keas Rugby League Football Club. I believe I have the passion and dedication to make a valuable contribution to our community, and a depth of real life skills and knowledge that will enable me to advocate strongly and effectively for the Linwood Ward.
