

Christchurch City Council
Heathcote Ward of the Linwood-Central-Heathcote
Community Board
Electing 2 Members

Tim LINDLEY

For Communities You'll Love To Live In

My principal place of residence is in the Heathcote Ward of the Linwood-Central-Heathcote Community Board area.

I have a doctorate in science and am a business development professional with a passion for the environment, healthy cities, and effective democracy. As board member of the Coastal Pathway Group and the Ihutai Estuary Trust I have worked within the community to help create recreational opportunities and protect our natural environment. I now have three years' experience as a community board member and in that time strongly supported the Heathcote River recovery plan, many community support and development initiatives, and recreational opportunities for all. If elected again I will continue work to ensure that the community board is effective at turning needs, hopes and ideas from our communities into actions that lead to results. I will seek to help Heathcote have a cleaner, healthier, urban environment, especially the waterways and estuary. I will support safe active urban transport, protecting our drinking water, and support appropriate business development opportunities.
