Reuben DAVIDSON

The People's Choice - Labour

My principal place of residence is in the Lyttelton Subdivision of the Banks Peninsula Community Board area.

Kia ora, my name is Reuben Davidson. I'm a Lyttelton resident standing for the community board alongside Tyrone Fields as part of a People's Choice/Labour team. We believe that working together is a great way to make sure Lyttelton voices get heard at council.

My background involves producing children's TV shows like What Now and Fanimals. I work with children and animals every day, and I love it. My television industry experience has given me skills to manage large budgets, work with a diverse mix of people and serve an audience.

I know from talking with other Lyttelton residents that our water, our environment, local infrastructure and policing are important issues for our community. I'm committed to doing all I can to advocate for our current and future issues.

Feel free to stop me on London Street or get in contact to have a chat. www.lyttelton.online
