Nigel HARRISON

My principal place of residence is in the Akaroa subdivision of the Banks Peninsula Community Board area.

I was born in Akaroa and grew up there making me a fifth generation local. I have recently returned to live in Akaroa on a permanent basis after working in the Printing Industry for 40 years, with the last 15 years as South Island Manager for Amcor Packaging. While in this Senior corporate role, I represented the Industry on the National Industry Training Organisation Board, the last three years as Chairman - with that, I bring to the role a history of Senior Management and Boardroom skills and experience. Also, in my Management role I raised and donated money to The Conservation Trust, Hinewai, native plants for Onuku and sponsored Five Tui in their release. I have a passion for Akaroa and Banks Peninsula, I come with no other agenda other than to see the districts needs are managed and to effectively represent the Akaroa District.
