

Christchurch City Council  
Waimairi Ward  
Electing 1 Councillor

---

---

**Sam MACDONALD**

Independent Citizens

My principal place of residence is in the Waimairi Ward area.

Does our community get value for money from the \$27 million in rates we pay each year? Our roads, parks and water supply need improving, and we cannot afford more rate rises.

As the Chairman of our local Community Board, I enjoy working on everyday issues and local projects. But the big problems we face - continuous rate rises, ballooning debt and deferred maintenance - are what I hear most about, and those problems can only be solved from the Council table.

My Community Board experience here in the Waimairi Ward and work as a Chartered Accountant has given me both the local knowledge and professional skills to get better value for your ratepayer funds. I am asking for your vote to be your Councillor. As always, feel free to contact me at any time - [sam@sammacdonald.co.nz](mailto:sam@sammacdonald.co.nz) or 0273339215.

It's time to put an Accountant at the Council table, vote Sam MacDonald
