

Christchurch City Council
Fendalton Ward
Electing 1 Councillor

James GOUGH

Independent Citizens

My principal place of residence is in the Fendalton Ward area. I am also standing for the Canterbury District Health Board.

You have backed me as your city councillor for the past nine years.

What sets me apart is I am not interested in why things can't happen; I am committed to finding ways they can. I bring a business lens with a people-focus that puts you and our city's future at the heart of decision making.

I am driven to cap the unsustainable rates rises and to enhance your quality of life with a council that is efficient, effective and that works for you. I have never been afraid to go against the grain and I am committed to ensuring Christchurch is a prosperous, safe and vibrant city now and for the future.

It has been a privilege and a pleasure to represent you and I am seeking your backing once again.

Make your vote count - a vote for James Gough is a vote for the future.
