

Christchurch City Council
Innes Ward
Electing 1 Councillor

Cam PARSONSON

Independent

My principal place of residence is not in the Innes Ward area. I am also standing for the Innes Ward of the Papanui-Innes Community Board.

I grew up in South Brighton, live in Burwood, but spend most of my time in Innes so I'm running in this ward.

A qualified scientist and builder, I'm married and have two children at my local Innes ward primary school.

I'm interested in avoiding enforced central government chlorination and accountability on council spending decisions. Increasing the central business district urban population density and enabling suburban infill is the way to spreading rates costs over more citizens.

And as a builder, I'm keen to develop the council's social housing policy.
