

Christchurch City Council
Coastal Ward
Electing 1 Councillor

David EAST

Independent

My principal place of residence is in the Coastal Ward area.

Councillor 6yrs, Community Board 15 yrs, BSc , RMA Hearings Qualified, Member Institute of Directors.

Very experienced in Council procedures, extensive involvement with Local Community and Sporting groups.

Strong reputation for standing up for my Ward. Successfully challenged District Plan irregularities and restored building rights to residents of South New Brighton, Southshore and Redcliffs. Supported development of: The Beach Playground, Hot Pools, QEII rebuild, Thompson Park, establishment of SBHS and AGHS on QEII.

Long term advocate for Estuary edge repair, restoration and conservation measures. Strong advocate for Adaptive Management approaches to Climate Change and Sea Level Rise. Our Coastal Ward presents many opportunities and challenges; Progress the opportunities, recognise the challenges, implement adaptive measures and mitigations as required, monitor and reappraise at regular intervals.

Priorities: Road repairs, Estuary repair and restoration, Avon and Styx River catchment issues, Red Zone future, New Brighton Business core regeneration, Community facilities and infrastructure.
