

Christchurch City Council
Coastal Ward
Electing 1 Councillor

Kelly BARBER

The People's Choice - Labour

My principal place of residence is not in the Coastal Ward area. I am also standing for the Coastal Ward of the Coastal-Burwood Community Board.

My family and I have spent 30 years living in the East. I love the place, its people and all it has to offer. Our council needs new people, new ideas and new life. I'm standing because I want our roads fixed, businesses thrive and to bring more vibrant events to our community. In the community I currently serve as chairman of a high school football club, a coach and mentor. I serve at church and helped start the Burwood East Residents Association. This has taught me how to approach community issues and my 35 years in sales has taught me how to listen and work with people to get things done. As a 15 time Coast to Coast athlete and author of two published books I know the value of hard work, perseverance and determination. Let me put this to work for you as your new city councillor.
