Electing 1 Councillor

**Catherine CHU**

Independent Citizens

My principal place of residence is in the Riccarton Ward area. I am also standing for the Riccarton Ward of the Halswell-Hornby-Riccarton Community Board and the Canterbury District Health Board.

Where do we want Christchurch to be in 10 years? It's now time for a new face and a new perspective on our City Council. Born in Christchurch, raised in Riccarton and having served on our Community Board, I have a deep understanding of our community.

Being fluent in Korean and English, and with a study background in Chinese, Japanese and Te Reo Māori, I have a broad understanding of our diverse community and believe I can unite our communities closer together in harmony.

I'm an Authorised Financial Adviser, an Executive Member of Keep Christchurch Beautiful and passionate about keeping our Garden City clean and green.

We need to take action on reviewing Council spending, we need to take action on ensuring rates are affordable and we need to take action on restoring basic infrastructure and services to our city.

For positive change, please vote Catherine Chu for City Council.
