

Christchurch City Council
Riccarton Ward
Electing 1 Councillor

Luke CHANDLER

Independent - Best for Riccarton

My principal place of residence is not in the Riccarton Ward area. I am also standing for the Riccarton Ward of the Halswell-Hornby-Riccarton Community Board.

I am seeking your support because I believe our community needs solutions, independence and action from a new generation of public representation. As your Council Candidate, I will stand up and suggest solutions, not promises. I will unify our community and ensure our strategic assets are being retained.

Let's push pause on planting trees down Riccarton Road. Let's work on curbing rapidly rising rates. Let's take party politics out of our city and keep control in the hands of Christchurch residents. Let's work with Central Government and Regional Council to more reliable, frequent, accessible and disability-friendly public transport. Let's fight to keep pristine water rights for the next generation and against unnecessary chlorination.

If I can assist on an issue affecting you, your family or a local group please contact me directly.
