

Christchurch City Council  
Spreydon Ward  
Electing 1 Councillor

---

**Peter GATONYI**

Independent

My principal place of residence is not in the Spreydon Ward area. I am also standing for the Spreydon Ward of the Spreydon-Cashmere Community Board.

I work and live in the area as a maintenance contractor and film maker. I have been happily married 12 years and am passionate about this city.

These are my priorities if I have the honour of becoming the next city Councillor for Spreydon.

**Roading:** Taking 20 years to get our roads back to pre quake condition is unacceptable. This must be the councils number one priority.

**Rate rises:** I think rates are getting to high and not enough attention is being paid to spending. If the forecasted rises go ahead it will cause real hardship.

**Chlorine:** I think the council acted on bad information when they put chlorine in our perfectly good drinking water.

The sooner it's out the better.

**Parking:** I would like to see more parking in the inner city. Especially the free/cheap kind.
