

Christchurch City Council  
Central Ward  
Electing 1 Councillor

---

**Deon SWIGGS**

Local - Independent

My principal place of residence is in the Central Ward area.

It's been a privilege to represent you as the Central Ward Councillor for the last three years, working alongside diverse communities, residents associations and business groups.

I am proud to have helped reduce homelessness in our city, and also to have tackled big issues by helping to secure significant funding for infrastructure improvements, maintenance and projects in the ward.

It's been a challenging journey, but our city is now on the cusp of achieving many goals.

I know I can take the city and ward even further forward over the next three years. Key issues include underground pipes (water infrastructure), road quality, transport, environmental sustainability and getting people back to the city - as workers, residents and visitors.

As your Councillor I will continue to be visible, accountable and accessible. I offer experience, sound economic judgement and a commitment to getting things done.

Nōku te maringanui ki te tū hei māngai, ki te mahi ngatahi me ngā rōpu o tēnei hāpori.

Poho kekerū tēnei ki te awhina kia heke te nama o te hunga kāinga kore, ki te tū pakari ki ngā take whakahirahira e pāngia ana tātou.

Ahakoā te roa, e rite tō tātou tāone ki te tī-rākau.

Mōhio nei ahau ki ngā take e whai ake nei, arā, ko ngā paipakawe-wai, te āhuatanga o ngā rori, te momo waka, te oranga taiao, ā, ko te hokinga mai ki te tāone kia mahi, kia noho hoki. Inā tonu au tō kaikaunihera, ka tū tonu hei poutūtei mō te hāpori, hei pou whakairo kia tū tahi ai tō tātou nei whare. Ka raka ahau ki te ao pākahi, ka raka ahau ki te ao tōrangapū, ka ū tonu ahau ki te mahi tonu, ki te whawhai tonu mō tāku hāpori nei.
