

Christchurch City Council
Cashmere Ward
Electing 1 Councillor

Tim SCANDRETT

Independent

My principal place of residence is in the Cashmere Ward area.

Vote For Me, I Work For You

Thank you for supporting me for the past six years as your independent City Councillor.

The next three years are very important for our community as we work to make Christchurch a vibrant, inclusive and sustainable city.

I am a proven Councillor who knows how to get the job done. I will remain your independent advocate, working with you to keep our community voice at the core of Council decision making. I will continue to meet you at my monthly clinics to understand the issues important to you, energetically representing our community.

Vote for me and I will continue to fight for chlorine-free drinking water, preservation of the Heathcote River and Port Hills, improved community facilities and better traffic planning. It's your rates, your community, your future. Your support will ensure I remain your Councillor.

Please re- elect Tim Scandrett 027 6935155
