

Christchurch City Council
Cashmere Ward
Electing 1 Councillor

Joe SULLIVAN

My principal place of residence is in the Cashmere Ward area.

I believe there is a strong need for new faces and experience with the ability to offer fresh ideas and make sensible decisions going forward to help provide a strong and stable base for the positive growth our city needs to make it the best it can be. On a personal level for the last eight years I have been involved in the rebuild of Christchurch since the Canterbury earthquake sequence at a grassroots level. With a considerable number of years in the real estate industry prior to that. I feel I can be a key contributor in making Christchurch one of New Zealand's most desirable cities to live in and be a part of. Realising our full potential for the people of our city and future generations.
