

Christchurch City Council

Shirley-Papanui Ward

Electing 2 Councillors

Brad MAXWELL

Independent

My principal place of residence is in the Shirley-Papanui Ward area.

I am also standing for Mayor.

I am married to Janice and we have two adult sons. I am a company director and have lived in the Shirley/Papanui Ward for almost 30 years.

The last 3 years have been incredibly difficult for so many in our community and many of them are still struggling with day to day issues which seems to be the norm.

We have also had to endure a dysfunctional council at odds with each other, divided by personal and political agendas.

As a candidate for Shirley/Papanui, I want to bring back to council honesty, truth, integrity and accountability. We need councillors who are prepared to roll up their sleeves, get their hands dirty and drive this city forward to become the best city in New Zealand.

This is an opportunity for you to ensure your voice is heard and make your vote count.
