*My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.*

My family has lived on the Peninsula for five generations and I live and work in Lyttelton. My working background has been in the health and social services sector. I am currently the

Manager and Community Facilitator of Lyttelton Community House and the Lyttelton Harbour Basin Youth Centre.

I am privileged to be in a position where every day I meet a range of people from the Peninsula, at either the Youth Centre or Community House. I know the issues impacting on our community and I want to help shape our future by listening and advocating for Peninsula people.

I have three sons who were raised in Lyttelton and seven grandchildren, whom I adore.

I learned from a young age the meaning of community and the importance of contribution, and this has held me in good stead throughout my work and volunteer life.
