

# Christchurch City Council Fendalton-Waimairi Community Board Electing 5 Board Members

---

## David CARTWRIGHT

iCitz - Independent Citizens

*My principal place of residence is in the Fendalton-Waimairi Community Board area.*

I live in Strowan and my two sons attend the local school. I am committed to this community, and those who live in it. The next few years will be exciting for Christchurch and strong community leadership is needed to ensure we make the most of the opportunities that the rebuild presents.

I want to see a straightforward and common sense approach to the governance of Christchurch, with clear and open communication between all stakeholders.

In my role as Business Development Manager for Lane Neave Lawyers and as a committee member for the New Zealand Institute of Directors (Canterbury Branch), Chairperson for Keep Christchurch Beautiful and as a Rotarian, I have many opportunities to talk with people from a variety of organisations and interest groups. This gives me a broad perspective on what is happening across our city and a sound base from which to advocate on different issues.
