

Christchurch City Council

Fendalton-Waimairi Community Board

Electing 5 Board Members

David HALSTEAD

iCitz - Independent Citizens

My principal place of residence is in the Fendalton-Waimairi Community Board area.

I have lived in Fendalton/Ilam for 25 years. Formerly, the Senior Executive of a manufacturing business. Recently the owner of my own company, I bring management and governance experience to the community board.

Previously, President and still a Board Member of the Canterbury Employers' Chamber of Commerce; a Councillor on the CPIT board; the Honorary Consul for Austria and a Rotarian. I hold Fellowships from the Institutes of Management and Directors. I served on the board of Business NZ and I am a founding member of the Merivale Business Association board.

My vision is for a vital safe city, in which people of all ages love to live. It would provide great opportunities for business, and be fiscally well managed and governed. Christchurch City needs strong, experienced leadership. I believe I have the skills required to be an effective Community Board member and I offer my experience to the role.
