

Christchurch City Council Fendalton-Waimairi Ward Electing 2 Councillors

Drucilla KINGI-PATTERSON

Independent

My principal place of residence is not in the Fendalton-Waimairi Ward area.

I am also standing for the Canterbury District Health Board.

My name is Drucilla Kingi-Patterson (Denise King).

When CERA ceases to exist in April 2016 I am against the setting up of an Urban Development Agency with the same powers.

I am against Aranui High School, New Brighton Central School and Phillipstown School being closed and relocated as they are strategic key locations and support for Civil Defence in Christchurch and to their inner communities.

The last two years I have been working on a 20 year marketing plan to empower community groups by setting up events and museums to promote the arts and preserve a percentage of our history.

For well-health the Arts and Recreational Sports empower people to engage and be part of the rebuild and support communities.

Christchurch needs a pre-trade and trade collective to support workers and minimise accidents.
