

Christchurch City Council Fendalton-Waimairi Ward Electing 2 Councillors

Faimeh BURKE

Independent

My principal place of residence is in the Fendalton-Waimairi Ward area.

I am also standing for the Fendalton/Waimairi Community Board.

Christchurch needs new City Councillors, people who can work together to rebuild our city, restore public confidence in the Council and govern its administration; Councillors who protect ratepayers' dollars and demand transparency and effective public consultation.

These are aspects of good governance which I commit to and will strive for.

My priorities include: safer streets; maintaining and improving community facilities; solutions for issues arising from post-quake business re-location to Fendalton-Waimairi and associated commuter parking problems; preserving our Garden City image; combating vandalism; and protecting our remaining heritage.

I have lived in Fendalton-Waimairi for 15 years and have served since 2004 as your elected Community Board member. I am closely involved in local community associations, with good knowledge of the Ward's issues. I have the skills and local government experience to represent you at the Council.
