

Christchurch City Council Fendalton-Waimairi Community Board Electing 5 Board Members

Faimeh BURKE

Independent

My principal place of residence is in the Fendalton-Waimairi Community Board area.

I am also standing for the Fendalton-Waimairi Ward.

I believe in strong communities providing vital local input for Christchurch to function well and serve its people

As an elected Community Board Member since 2004, I have valuable experience and knowledge to contribute. I work collaboratively with colleagues and have a track record of integrity, courage and common sense.

My priorities: safer streets for everybody including cyclists, school pupils, the elderly and people with disabilities, maintaining and improving community facilities; solutions for issues created by post-quake businesses re-locating to Fendalton-Waimairi and associated commuter parking problems, maintaining parks and combating vandalism.

I also support youth cultural and sports development initiatives, activities for elderly groups and more participation of new migrants in community life

I reside locally and am very active in our community. As an Independent, I am accountable only to you, not any political group.
