

# Christchurch City Council Spreydon-Heathcote Community Board Electing 5 Board Members

## Helene MAUTNER

The People's Choice - Labour

*My principal place of residence is in the Spreydon-Heathcote Community Board area.*

I am a current Spreydon-Heathcote Community Board member and have actively supported community well-being and earthquake rebuild and recovery.

I have lived in the local community for 27 years and my children attended Cashmere schools. I have a doctorate in speech therapy for the elderly and qualifications and experience in teaching and computer systems.

As a practical environmentalist, I've organised successful waste reduction programmes in schools, hospitals and factories. I'm a member of the Cashmere Residents' Association, Old Stone House, and past President of the National Council of Women Christchurch Branch.

I am totally opposed to selling Council-owned assets and I want to see good contemporary design and business activity in rebuilt shopping centres, realistic solutions to traffic congestion and housing shortages, along with a healthy environment for all, especially children and the elderly.

I'm keen to use my skills and energy to help in these huge post-quake tasks.
