

Christchurch City Council Fendalton-Waimairi Ward Electing 2 Councillors

Jamie GOUGH

iCitz - Independent Citizens

My principal place of residence is in the Fendalton-Waimairi Ward area.

As your current City Councillor, I'm well aware of the 'business-as-UNusual' challenges we face. What sets me apart is how I address them.

I'm not interested in why things can't happen - I'm committed to finding ways they can.

I balance a commercial results-based background with an energetic, people-focused and fresh-thinking approach, which puts you and our city's future at the heart of decision-making.

I build relationships and work collaboratively to ensure you're enabled by Council, not stifled.

I'm dedicated to building on the six years Local Government experience you've invested in me to rebuild a vibrant, safer and more prosperous Christchurch. You've also never had to remind me that you put me there. Aside from receiving one of the top three grades in The Press Councillors' Performance Review, it's your backing I really need.

Make your vote count-a vote for Jamie Gough is a vote for the future.
