Jane BROUGHTON

iCitz - Independent Citizens

My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.

I am also standing for the Banks Peninsula Ward.

I'm a passionate advocate for Banks Peninsula. I believe it must be a viable place to live but we must also protect its natural environment and heritage. I live on a peninsula farm and own Diamond Harbour's Chalfont Cafe and Country Store.

As a skilled and experienced communicator, I will listen to your views and put your message across clearly and concisely. After working through the City Council's consent and licensing procedures, I believe we need to look at new strategies and processes. It's about having a fresh approach. As a former public relations consultant working in strategic planning, reporting and issues management, I have the proven ability to add real value as your city councillor. I also sit on the Lotteries Committee for Canterbury/Kaikoura.

I am committed to building strong communities by working with all sectors of the community and representing each and every voice on the Peninsula.
