

# Christchurch City Council Lyttelton-Mt Herbert Community Board Electing 5 Board Members

---

**Jed O'DONOGHUE**

*My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.*

I am proud to live in Lyttelton and have been associated with the Port and Township since 1980 through my job as a Locomotive Engineer. I have lived here with my family since 2007.

I believe in intelligent sustainable transport decisions, and have attained a Master of Professional Studies in Transport Management.

I believe in vibrant and cohesive interaction between community, industrial and business sectors. I am strongly analytical and can look at issues from many perspectives.

Work life balance must be supported within communities. This means easy access to recreational opportunities like the Head to Head Walkway, recreational access to the inner harbour; and repairs and improvements throughout the whole harbour basin to our pools, wharves and halls.

I love the Lyttelton -Mt Herbert landscape and the diversity of the people who live here.

I want to be part of steering our communities through these challenging and exciting times.
