

# Christchurch City Council

## Banks Peninsula Ward

### Electing 1 Councillor

---

## Mark BELTON

Independent

*My principal place of residence is in the Banks Peninsula Ward area.*

I care deeply for Banks Peninsula and our City and want to help achieve the best possible outcomes for both in the post-quake recovery.

Having lived on the Peninsula for 35 years and with my experience in business, environmental management and government I am well equipped for the challenges of council.

I am strongly committed to community well-being and to improving our built and natural environments. On council I will advocate for the recovery of our City and Peninsula that is attractive, inspiring, nature-rich, and fosters community health.

Never in the history of our local government has council's role been so important.

We need a fresh council where there is open informed debate leading to wise decisions, inspired leadership and financial prudence.

I am committed to listening to and advocating for the diverse interests of our community.

Vote for Mark Belton to provide our Peninsula with effective representation on Council.
