Independent - City 1st - No Party Politics

*My principal place of residence is in the Fendalton-Waimairi Ward area.*

*I am also standing for the Fendalton/Waimairi Community Board.*

Your views and the community are important to me.

Strong leadership, communication and consultation are

a high priority.

A safe, prosperous and liveable city comes from residents being engaged and having input into decisions. It is a priority for me to make this happen.

As your councillor, I will ensure your voice is heard and issues and concerns addressed. I have the skills, experience and judgement needed to be a strong effective voice. Communication and consultation with you is a must, I will work with you to improve the way council operates. I have over eighteen years experience on Council and Community Boards. My family have been residents of Avonhead since 1990.

I value the work done by community organisations and have served on many community Trusts. I'm currently a Board member of the Orana Park Wildlife Trust, and the Canterbury Sports Foundation.

Opposed to Political Party interference.
