

Christchurch City Council Riccarton-Wigram Community Board Electing 5 Board Members

Natalie BRYDEN

The People's Choice - Labour

My principal place of residence is in the Riccarton-Wigram Community Board area.

I have spent my life in and around Hornby, raising my children and working for our community.

I attended local schools and my children have, too. I am standing again because I want to ensure our

community's voice is heard, and that they have someone who will fight for them. I work as a nurse aid, have been on boards of trustees for local schools and a leader with Hornby Community Patrol.

A vote for me is a vote for a local voice.

I will fight for:

Accountable, transparent decision-making, with no dodgy back room decisions;

A greater say for local people in the rebuild of our city;

No sales of Council-owned assets like our ports, power lines and airport;

New meeting places and activities for youth and older people;

More community programmes to provide assistance and advice to those in need.
