

# Christchurch City Council

## Spreydon-Heathcote Ward

### Electing 2 Councillors

---

#### **Phil CLEARWATER**

The People's Choice - Labour

*My principal place of residence is in the Spreydon-Heathcote Ward area.*

I am passionate about getting things done and putting people at the heart of Christchurch's rebuild. As Chair of the Spreydon-Heathcote Community Board I have worked with the community for many years. I lead the Social Work Team for Older Persons Health at Princess Margaret Hospital and understand the importance of listening to people.

I will work to ensure that Christchurch has a transport plan that resolves traffic congestion and that we have safe neighbourhoods with a limit on suburban liquor outlets. I am committed to protecting our drinking water and restoration of the Heathcote.

I will be open in my decision making, demand financial responsibility from council, listen to the community's views and ensure council decisions reflect these.

I bring to Council a strong mix of integrity, experience, sensible judgement and leadership skills. I will be an effective voice supporting people to build a better, vibrant Christchurch.
